Photo Paper

Que Media's contemporary photo frames offer the quickest and easiest solution for high-end retail décor and gallery quality display.

Just print an image on any photo paper or canvas, peel off liner on the frame and attach image to the frame. Trim excess to the edge of the frame and hang. It's that simple.

We suggest Que Media's line of photo papers and artist canvas, especially our new QM-PPRCAN: Professional Gloss Canvas Photo Paper. Get the canvas look with the print quality of professional photo paper.
