CLMNTD: Clear Double-sided Removable Mounting Adhesive

Que Media's CLMNTD is a clear, 3 mil polyester film with two sided adhesive, one permanent and one removable. It should be used to turn any non-adhesive material into a mountable solution. Ideal for two-sided, temporary window display. The side with the removable adhesive is designed to be attached to the glass or other mounting surface and it leaves no residue when removed.

Benefits:

- Repositionable Adhesive Side
- Permanent Adhesive Side
- Visible Double Side Graphic

Applications:

- Temporary Glass/Windows
- Double Side Print Media
- Film, Vinyl, Paper

This media is designed for digital printing applications using OEM printers with their accompanying OEM ink sets. Although designed for all printers using the aforementioned OEM matching ink sets; actual results may vary depending on printer model, age, print design, environmental conditions, and other factors. Exposure of a print to atmospheric pollutants, or to temperature, humidity, and / or lighting extremes can result in fading, color shifting, or other visual changes. The ideal conditions for printing and storage are a temperature of 70°F ±5°F and relative humidity of 50% RH ±3% RH. Our wide format media is guaranteed against manufacturing flaws and defects and is designed to resist printer jams when used properly.
