Matte WR vinyl w/permanent adhesive

With its stay-flat liner and our signature matte microporous coating, this is sure to be your go-to aqueous adhesive vinyl product. Best for any mounted application where tight curves and clean cutting need to be addressed. Highly water resistant and fast drying receptive coating for faster production times.

Benefits:

- Water Resistant
- Instant Dry Coating
- Fast Dry Times
- Smooth Non-Glare Finish

Applications:

- Print & Cut Systems
- Decals
- Mounted Board Signage
- A-Frame Boards
